Dear Leaksville-Spray Families,

We thank you and your family for being our valued partners as we work together to educate your child. Leaksville-Spray Elementary values input from our community – and we need to hear from your child! Students are important partners as we work to improve our communication, academic program and overall experience for everyone.

In order to learn more about student experiences at school, we will be asking for your child’s feedback via an online survey they will be completing at school. We want to hear from our students about how they feel about our school, our support, and their overall experience at our school. This helps us to listen to our students and get their input! We will provide this survey during the timeframe of Nov. 1-16th.

We are asking that all of our students participate in the surveys, as their feedback will provide valuable insights into their experiences and how we can improve and adapt our school to their needs. If a student does not feel like they have enough information to answer a question, they will be able to skip the item altogether. The responses to these surveys will be completely confidential. The survey content will ask students to self-reflect on social emotional skills.

Please notify us if you would like to opt out of completing the survey by filling in your name and your child’s name below and return it to school no later than Nov. 3rd. We thank you in advance for your support.

We thank you in advance for your partnership. If you have any questions about the survey administration, please don’t hesitate to contact us at (336)627-7068.

Sincerely,

Tia Scales

I do not want my child to participate in the survey.
